Gospel of Matthew 4: 23-24

Jesus went round the whole of Galilee teaching in the prayer halls, proclaiming the Good News of the kingdom and curing all kinds of diseases and sickness among the people. People who were suffering from diseases and painful complaints of one kind or another were brought to him and he cured them.

"Healed of Cancer", by Dodie Osteen, tells how Dodie had advanced liver cancer and was given 3 weeks to live in 1981. Then she and her husband, both pastors, prayed the cancer away, using 40 special sentences from the Bible. An inspiring book for everyone who is fighting cancer. Available from www.amazon.com

For 5 years I could not lift my right hand up to shoulder height and move it around. Then I asked Jesus for help. Now I can swing my hand around in the air! - **Inmate at a HK detention centre, Dec 2011**

In a HK detention centre in July 2011, I was told that the baby I was expecting would be born “very sick”. My friends and I prayed to Jesus. In November 2011, the doctors said “baby ok”. My healthy baby girl was born February 2012!

Gospel of Matthew 8: 5-13

A leading soldier came to Jesus and pleaded with him. "Sir," he said, "my servant is lying at home paralyzed and in great pain."

"I will come myself and cure him" said Jesus.

The soldier replied "Sir,

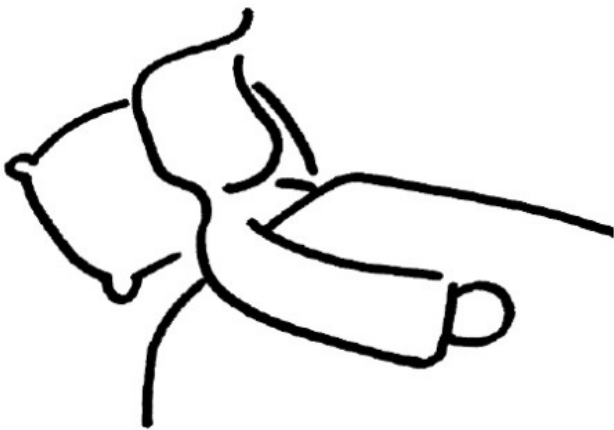

I am not worthy to have you come to my home.

Just say the word and my servant will be healed."

Jesus said to the soldier "Go home then.

You have believed, therefore let this be done for you."

And the servant was cured at that moment.

Jesus, please teach me how to pray to you for healing

2011-12-01: A Mainland inmate from Hunan Province at hospital section of a HK detention centre was told by the doctor “Your liver is no good. You need a transplant”

2012-01-09 Doctors at Queen Elizabeth Hospital and Princess Margaret Hospital said the same thing: “You need a liver transplant. Arrange this when you go back to Mainland”

2012-01-12 The Inmate returned to the detention centre hospital...where on the afternoon of Jan 27 he received the book "Doctor Jesus" . That night he asked Jesus for help. His pain went that night. After further tests at the same hospital, the doctor told him "All clear. Your liver is ok"!

Another inmate was at the same hospital section of the same detention centre. In 2006, before detention, he had an operation which removed more than 30 kidney stones.

He entered detention in 2007.

In 2011 the kidney problem returned.

In Nov 2011 he was told, after an x-ray, that there was one new kidney stone ...and he'd need another operation.

He asked Jesus for help. Then he felt much better.

A new x-ray showed that the kidney stone had gone, and the doctor said “No need for an operation”!

Gospel of Matthew 8: 1-3

A leper came to Jesus and bowed low in front of him. "Sir," he said, "if you want to, you can cure me." Jesus stretched out his hand, touched him and said **"Of course I want to heal you! Be cured!"** And his leprosy was cured at once.

Not even once did Jesus say "No" to someone who asked for healing. He healed everyone who asked for healing, which means he wants to heal me.

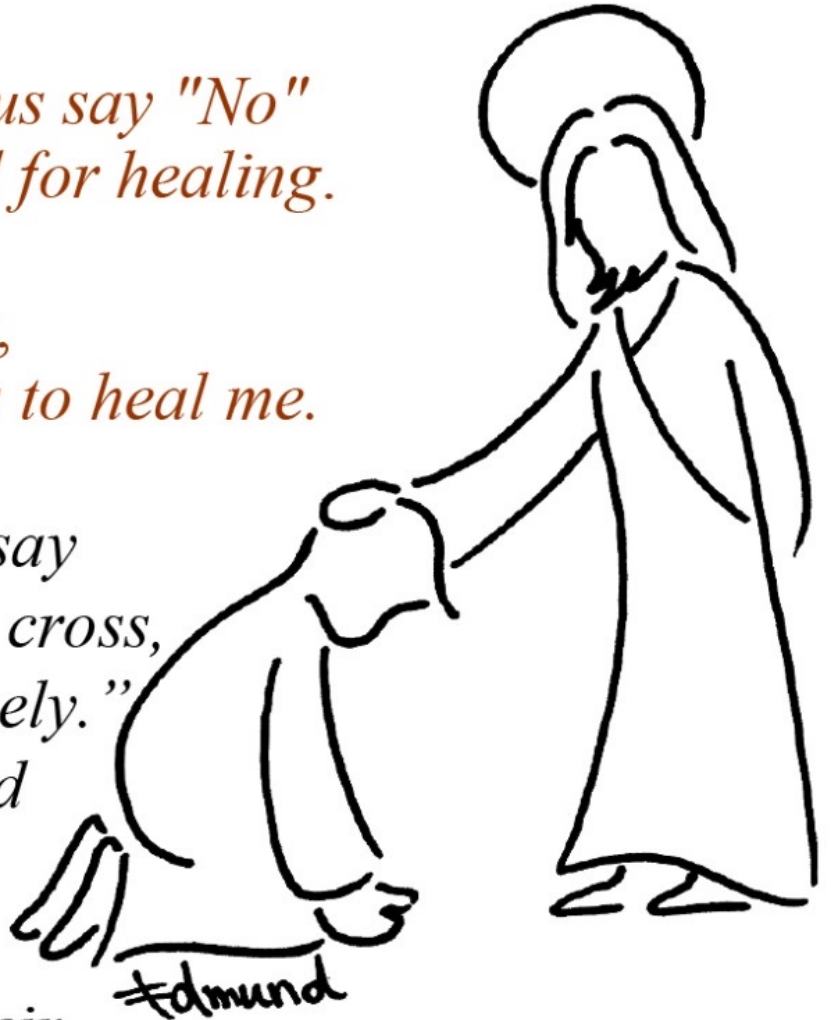

Never once did Jesus say

"This sickness is your cross, you must carry it bravely."

Rather, Jesus regarded sickness in the same way as a parent

regards sickness in their

child: something to be overcome, something to be healed, as soon as possible. What parent would ever want their child to be sick? We make a big mistake when we think that God would ever want someone to be sick. God, just like a good parent, wants his children to be well!

Gospel of Matthew 8: 14-15

Jesus went to the home of his friend Peter.
Peter's mother-in-law was sick in bed with a fever.
Jesus touched her hand, and the fever left her.
She got up and began to give Jesus some food and drink.

*An inmate at a HK detention centre had a big pain in his chest. On **Nov 30, 2011** an x-ray at the centre's hospital showed he had a hole in his left lung. He was transferred to Queen Elizabeth Hospital where on **Dec 8** he prayed to Jesus for healing. That night the pain stopped. On **Dec 15**, after an x-ray at QEH, the doctor said "**Hole has gone....and you can go too**"!*

Gospel of Matthew 8: 16-17

One evening people brought many sick people to Jesus. He cured all of them.

This had been prophesied by Isaiah a long time before Jesus was born: "He **took away** our sickness"

Dec 4, 2011: At prayer service in a HK prison, someone in a group of about 30 women asked the group to pray for another prisoner who could not attend the service. The other prisoner for some time had a severe back pain and could not stand up and could not walk. The group then prayed for that prisoner and got a copy of "Doctor Jesus" for her. A few days after receiving the book and praying to Jesus, she was ok. She could stand. She could walk

Jesus, please **take away** my sickness.

Please **take away** my back pain.

Please **take away** my cancer

Gospel of Matthew 9:2-8

Some people came to Jesus,
carrying a paralyzed man on a stretcher.
Seeing their **faith**, Jesus said to the paralyzed man
"Courage.....get up, pick up your stretcher and **go home**."
And the sick man got up and went home.
When everyone saw this
they praised God for what Jesus had done.

Feb 05, 2012: An inmate from an island detention centre was vomiting blood. He was taken by helicopter to QE Hospital. X-ray showed hole in stomach. Hospital treatment for 5 days brought only slight relief. He could not sleep because of pain in his stomach. **Feb 10:** After receiving "Dr Jesus" he asked Jesus for help. That night he slept well, with little pain. **Feb 11:** no pain. **Feb 12:** Doctor said "**Go home**"

Gospel of Matthew 9: 18-25

A religious official came to Jesus and said "My daughter has just died, but come and lay your hand on her and her life will be saved." Jesus and his disciples started out for the man's home.

On the way, a woman who had suffered from a haemorrhage for 12 years touched the fringe of Jesus' cloak. The woman had said to herself, "If I can only touch his cloak, I shall be well again." Jesus saw her and said

to her, "Courage, your faith has restored you to health." And from that moment she was well again.

When Jesus reached the official's house, he said to the flute players and mourners, "Get out of here; the little girl is not dead. She is asleep."

The mourners laughed at him. But when the mourners had left the house, Jesus took the little girl by the hand and she stood up.

A story from the USA, about 1940, from p. 48 of

"The Healing Light" by Agnes Sanford

A young man was dangerously ill in hospital. His aunt was at his bedside. One evening she asked Agnes and a group of friends to pray for her nephew. They arranged to pray for him at 9.30pm, and asked the aunt to place her hands on the man at exactly 9.30....and act as a channel of the Lord's healing life.

At 9.45 the young man said "Aunt Lucy, what's happening to me? All of a sudden I feel fine. I don't hurt anymore".

The hospital kept him one more day for tests....all tests negative....and the next day, being perfectly well, he dressed and went home. This incident is on the Baltimore hospital records.

"It's a miracle", the doctors said.

Dear Jesus,

please teach me how to pray for sick people

Gospel of Matthew 9: 27-33

Two blind men followed Jesus shouting,

"Take pity on us, Son of David."

Jesus said to them "Do you believe I can do this?"

They said, "Sir, we do."

Then Jesus touched their eyes saying

"Your faith deserves it. So let this be done for you."

And their sight returned.

The men had only just left

when a dumb demoniac was brought to Jesus.

Jesus cast out the devil and the dumb man spoke.

11 reasons why people are not healed
(explained in *Healing* by F. MacNutt):

1. Lack of faith
 2. Confused belief about redemptive suffering
 3. False value attached to suffering
 4. Sin not yet forgiven.
 5. Not praying specifically
 6. Faulty diagnosis
 7. Refusal to see medicine as a way God heals
 8. Not using natural means of preserving health
 9. Now is not the time
 10. Someone else to be the instrument of healing
 11. Relationship issues not yet resolved

Gospel of Matthew 9: 35

Jesus made a tour through many towns and villages, teaching in their meeting halls, proclaiming the Good News of the kingdom and curing all kinds of diseases and sickness.

Q: If God wants me to be well, not sick, why does he allow me to get sick?

A: My parents want me to be well, not sick, but if I don't look after my health, and then get sick, the sickness is not my parent's fault.

Q: What about babies who are born sick?

*A: God made everything good, like a brand new computer. But our hard drive has been virus-infected by Satan, the effects of Adam & Eve's "Fall", our family tree background, and our own carelessness. Only one anti-virus program can heal us: **J-E-S-U-S***

Gospel of Matthew 12: 10-14

Once when Jesus was in a meeting hall,
he saw a man with a withered hand.
He said to the man "Stretch out your hand."
He stretched it out and his hand was better,
as sound as the other one.

The governor's father was very sick in bed with fever and dysentery. He was healed when Paul prayed for him with the laying on of hands. Word of the healing got round fast, and soon everyone on the island who was sick, came and got healed (Acts 28)

*If any one of you is sick,
he should send for the elders of the church,
and they must anoint him with oil in the name of the Lord
and pray over him.*

The prayer of faith will save the sick man.

Gospel of Matthew 14: 34-36

Jesus came to the land of Gennesaret. When the local people recognized him, they spread the news through the whole area and took all their sick to him, begging him just to let them touch the fringe of his cloak. And all those who touched it were completely cured

Feb 14, 2012: An inmate asked prayers for his mother. Mother had blocked heart valve, due to enter hospital today, for operation tomorrow. Inmate was given "Dr Jesus" and encouraged to pray "Jesus, please help my mother". Inmate had no previous experience of prayer, but that night, Feb 14, and the next day, he prayed most fervently for his mother. On Feb 16 the inmate received news from his sister: "Mother is ok. She did not need an operation. She is back home and well".

Gospel of Matthew 18: 19-20

Jesus said to his disciples
"I tell you most solemnly:
if two of you on earth
agree to ask anything at all,
it will be granted to you
by my Father in heaven.
For where two or three meet
in my name,
I shall be there with them."

One afternoon about 3pm, Peter and John went to the Temple for prayer. A beggar asked them for money. He was crippled from birth.

*Peter said to him "I don't have any silver or gold. But I do have something to give you: **in the name of Jesus Christ the Nazarene, get up and walk!**"*

*Peter then took him by the hand and helped him to stand up. Immediately his feet and ankles became firm and he could walk. He was so happy he started jumping around. He went into the Temple, praising God **(Acts 3)***

Gospel of Matthew 15: 21-28

When Jesus went to the area near Tyre and Sidon, a local Canaanite woman started shouting "Sir, Son of David, take pity on me.

My daughter is tormented by a devil." The woman then knelt at Jesus' feet and pleaded "Lord, help me."

Jesus said to her "Woman, your **faith** is very strong. Your wish is granted". And from that moment her daughter was well again

*Not always, but nearly always, when Jesus healed people, he was answering a prayer of **faith**.*

Gospel of Matthew 15: 29-31

Near the shore of Lake Galilee,
Jesus sat down on the side of a hill.
Large crowds came to him bringing the lame,
the crippled, the blind, the dumb and many others.
These they put down at his feet, and he cured them all.
The crowds were astonished to see the dumb speaking,
the cripples whole again,
the lame walking and the blind with their sight.
Everyone praised God

*Sam started using drugs when he was 14.
Six times he was put in drug treatment centers.
Each time he was released he would be "recalled".
Then he asked Jesus for help, "Jesus, please help me!"

The believers met in an area of the Temple.
So many miracles kept happening
that sick people were laid on beds on the street,
in the hope that at least Peter's shadow
would cover them as he walked past.
People came from the towns near Jerusalem,
bringing their sick,
and all of the sick were healed

*Philip proclaimed Jesus in a Samaritan town.
The Samaritans welcomed Philip's message
because of the miracles he worked. Unclean
spirits came out of many possessed people, and a
number of handicapped people were cured. Such
miracles caused great rejoicing in that town
(Acts 8)*

Peter visited churches in many areas.
In Lydda, he saw a man named Aeneas,
a paralytic who had been bed-ridden for 8 years.
Peter said to him "Aeneas, **Jesus Christ cures you.**
Get up and fold up your sleeping mat"
Aeneas got up immediately.
The people of that area who saw him
were converted to the Lord
(Acts 9)

Gospel of Matthew 17: 14-20

A man came to Jesus, went down on his knees before him and said, "Lord, take pity on my son. He is mentally handicapped and in a wretched state. He is always falling into fire or water. I took him to your disciples but they were unable to cure him." Jesus said, "Bring the boy here to me." Jesus rebuked a devil inside the boy. The devil came out of the boy and the boy was cured from that moment. Later on the disciples asked Jesus, "Why were we unable to cast out the devil?" Jesus answered "Because your **faith** is not strong enough."

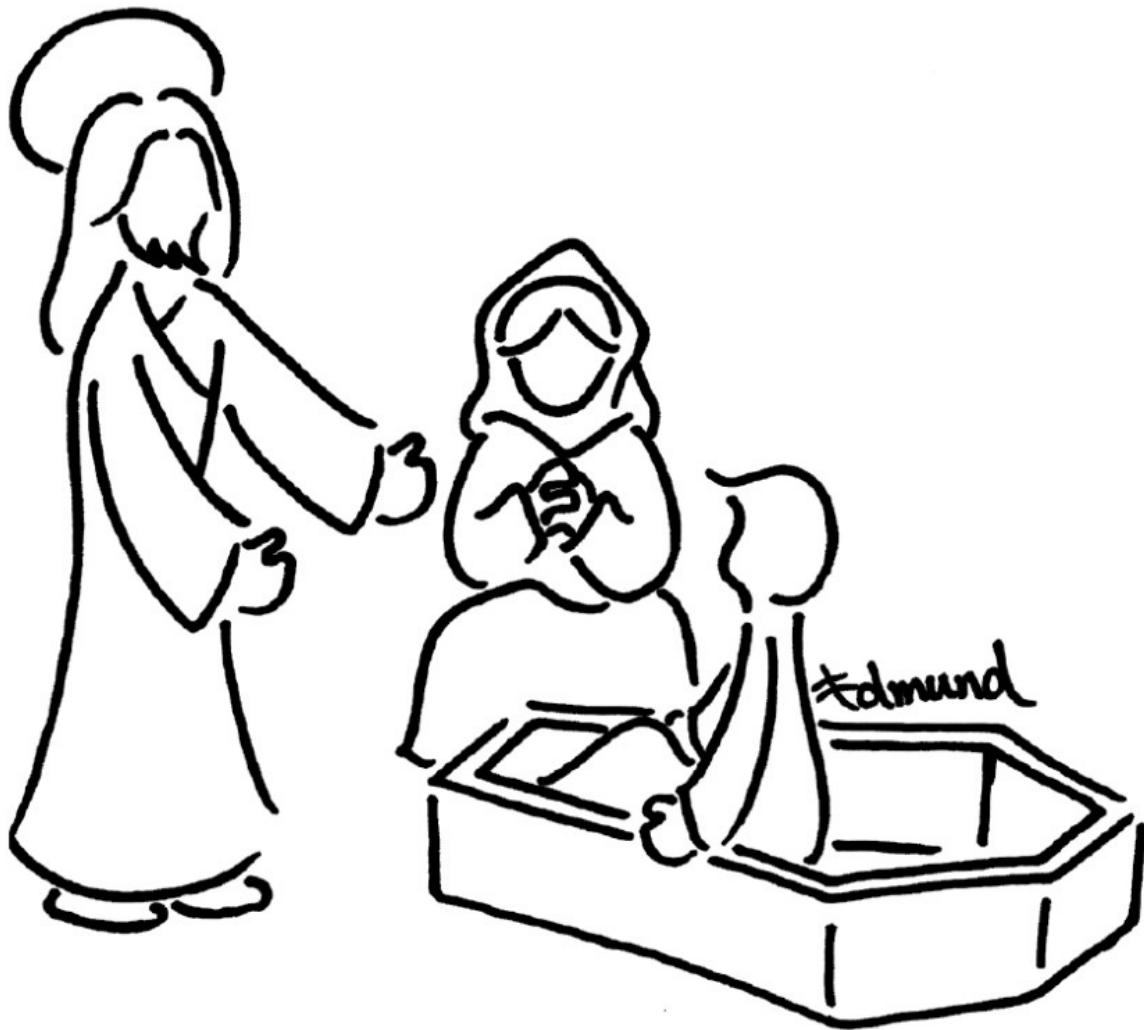

One way for praying for healing with a group of friends is for each person to put their right hand on the left shoulder of the person next to them. When this is done, people often notice a warm feeling in their right hand and on their left shoulder....and in their heart....and, if a part of their body is unwell, a warm feeling in that part of the body. Praying in a group usually brings more healing than when just two people pray. Group prayer may not always be convenient, but it is highly recommended. Think of the right hand as being the hand of**Jesus**

Gospel of Luke 7: 11-17

One day Jesus and his friends went to the town of Nain. Just as they were entering the town a dead man was being carried out for burial, his mother's only son, and she was a widow. When Jesus saw her, his heart went out to her. "Do not cry," he said to her. Then he stopped the procession and said to the dead body "Young man, I tell you, get up!" The dead man sat up and began talking, and Jesus gave him back to his mother

One of the best prayers to pray for healing is “**The Lord’s Prayer**”, “**The Our Father**”

We need to say it slowly and carefully, not quickly

We need to remember why we say “**our** Father” and not “**my** Father”: because Jesus, the Father’s Beloved Son, our Brother, **is praying with us!**

So, if I am praying, say, for Adam who is sick, I can pray:

Jesus, please heal Adam.

Please let him be well again soon.

Jesus, for Adam I now pray together with you:

Our Father in heaven

may everyone love and honor you.

Your kingdom come.

Your will be done

on earth as in heaven.

Thank you for enough food for today.

Forgive us as we forgive others.

Save us in time of trial.

Protect us from evil

Gospel of Luke 17:11-19

One day as Jesus was entering a village,
ten lepers called out to him,

"Jesus! Master! Take pity on us."

Jesus made a simple reply,

"Go and show yourselves to the priests."

As they went, their leprosy left them.

One of them, overcome with joy, went back to Jesus.

He threw himself at Jesus' feet and thanked him.

But Jesus was sad, because the nine others didn't bother
to come back and say thank you.

Sometimes sick people must talk about their illness
- to medical staff, family, close friends. But
sometimes sick people talk too much about their
illness, with too many people. Each time they so talk,
they stabilize the illness. Best to ignore it as much as
possible. Think less of the illness and more of Jesus,
the Great Healer (c.f. *God at Eventide*, July 20)

Feb 18, 2012: An inmate was at Queen Elizabeth Hospital because of drug-related severe swelling in his right leg lower calf. After receiving "Dr Jesus" on Feb 18, he asked Jesus for help that night

The next day, the swelling had gone down dramatically. The following day the swelling had gone completely. He had a similar problem with his left leg several months ago. Same hospital, same medicine...but left leg took about a month for the swelling to go down. Right leg, only two days. Man says that what made the difference was his prayer to **Jesus**

When Maria became pregnant, her mother-in-law said to her, "If the baby is a girl, my son will divorce you."

Maria was filled with fear. No wonder her baby was born sick, a sickness that doctors could not cure.

A priest got Maria to pray,

"Jesus, please help me forgive my mother-in-law."

Within a few days, the baby was healed.

Forgiveness, especially forgiveness of people who have been unkind to us, is often a key to healing.

Jesus, please help me forgive anyone who has ever been unkind to me

Gospel of Luke 18: 35-43

As Jesus entered the town of Jericho, there was a blind beggar by the side of the road. When the blind man heard that Jesus was passing by, he called out, "Jesus, Son of David, have pity on me!"

Some people told him to keep quiet, but he called out even more loudly "Son of David, have pity on me!"

Jesus asked him, "What do you want?" The man replied "Sir, let me see again." Jesus said to him, "Receive back your sight; your faith has saved you." At that moment, his sight returned, and he followed Jesus along the road, praising God at the top of his voice.

Honor the doctor. His healing skill is a gift from God. God has given us medicines from the earth, and the sensible person will not despise them.

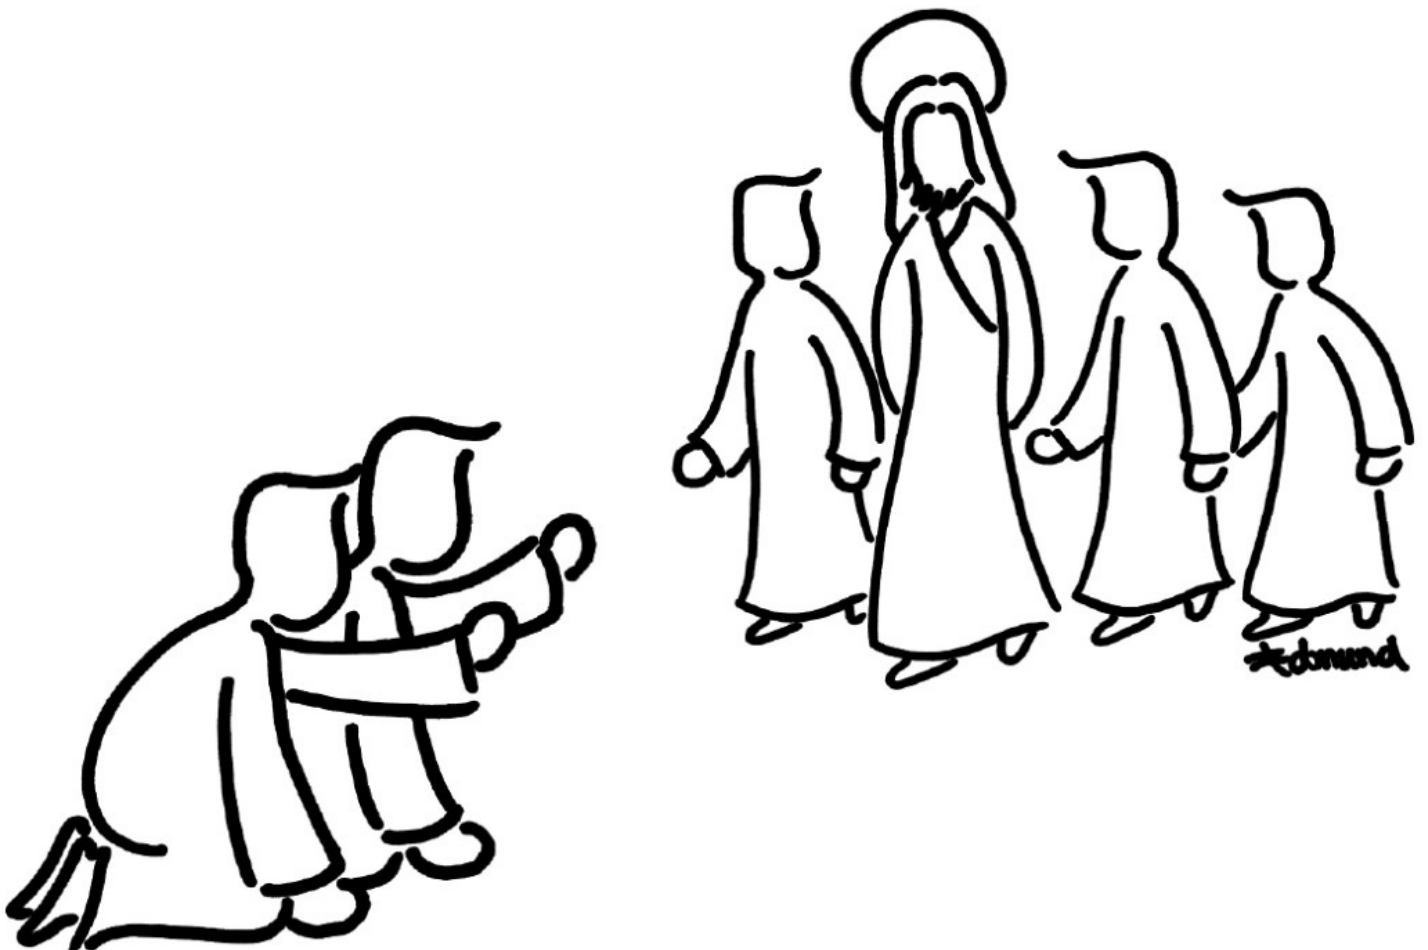

Sometimes people say “I don’t know how to pray”.
No problem. Prayer is just a conversation. Prayer is just talking to Jesus as we would to a friend.
No need for lots of words. Jesus knows what’s in our hearts. We just need to think of him. No need to rave on and on. Jesus is not deaf. Just speak with simple trust, like a child talking to mother or father.

Jesus, please help me pray, help me talk to you!

Gospel of Matthew 20: 29-34

Once when Jesus was leaving the town of Jericho, two blind men were sitting beside the road. When they heard that Jesus was passing by, they shouted, "**Lord! Son of David, have pity on us.**" People nearby scolded them and told them to keep quiet, but they only shouted more loudly "**Lord! Son of David, have pity on us.**" Jesus stopped, called them over and said, "What do you want me to do for you?" They said to him, "**Lord, let us have our sight back.**" Jesus felt pity for them and touched their eyes. Immediately their sight returned and they followed him along the road.

A good prayer to use with “the laying on of hands”:
Jesus, may (..name..) feel your love in his/her heart.
May your love give him hope, courage, forgiveness,
peace, and healing of body, mind and spirit

Gospel of Matthew 21: 12-14

As Jesus entered Jerusalem, people waved palm branches to welcome him. Jesus went into the Temple and drove out the money changers and pigeon sellers. Blind people and lame people came to him in the Temple and he cured them

Sometimes an illness is related to something or someone in our family history. This is often the case when more than one person in a family has the same illness. Jesus is Lord of history and time. He can give peace and healing to our family tree.

Two excellent books by [Dr. Kenneth McAll](#):

- [Healing the Family Tree](#)*
- [A Guide to Healing the Family Tree](#)*

Jesus, if any person or situation in my family tree is not yet 100% at peace, I now ask you, Lord of history, to go back in time and give peace to that person or situation. For my family tree I now pray with you Jesus: **Our Father in heaven....**

A story about the need to pray for our family tree:

A 50 year old lady in China suffered severely from Parkinson's Disease. Twenty four hours a day she couldn't stop shaking. She could not sleep. She and her husband had spent a lot of money, but Chinese and Western medicine could not help her

Then her husband asked a priest for help. The priest respectfully asked the wife and husband about their family tree: had any unhappy things happened to anyone in their family in recent years – things like suicide, murder, miscarriage, abortion, fatal road accident etc. Maybe someone was not yet 100% at peace, and needed prayers

The couple said that before their first child was born, they had two abortions. After their second child was born, they had two more abortions. The priest got them to name the four babies, using two boys' names and two girls' names (since sex of babies was unknown). The priest helped the couple to say sorry to the babies, and to ask pardon of the babies for the hospital staff etc.

The priest helped the couple ask **Jesus** for the babies to be 100% at peace, and for parents and babies to look forward to all being together someday in Heaven. After a few days of such prayer, the woman's shaking had almost completely gone

Gospel of Luke 22: 50-51

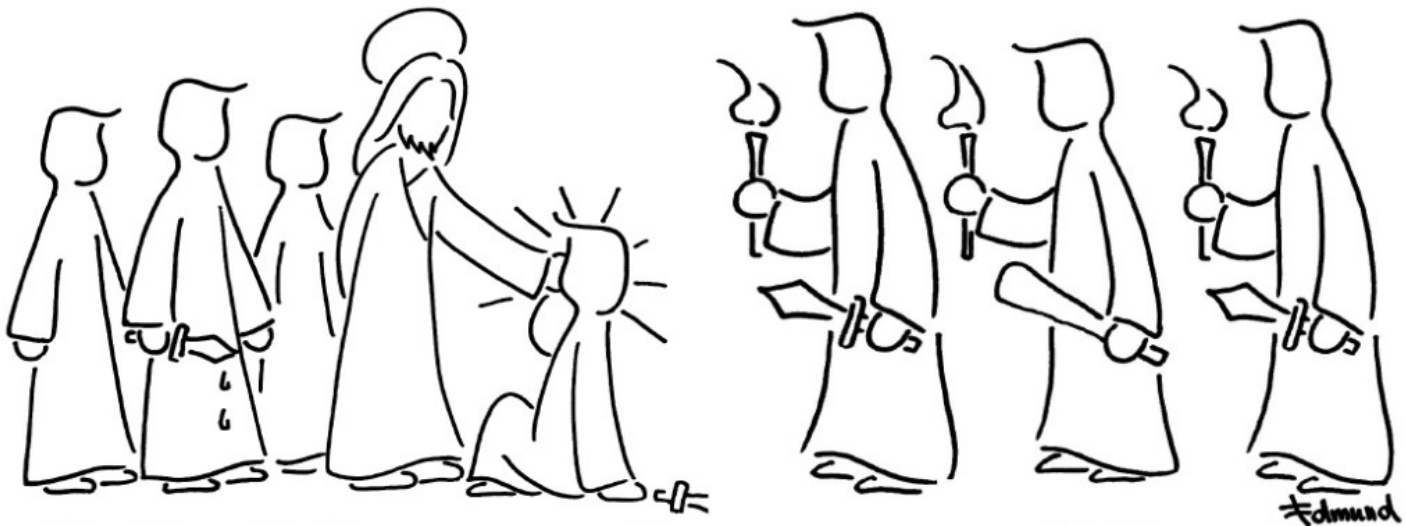

Jesus knew he would soon die.

He had a last meal with his friends,
then went to a nearby garden to pray.

While he was praying
a band of men came to arrest him.

Peter used his sword to cut off the right ear
of one of the men trying to arrest Jesus.

Jesus immediately told Peter to put the sword away.
Then Jesus touched the man's ear and healed him.

Right till the moment he was arrested, Jesus kept healing people. He couldn't stop healing. His heart was moved by every sick person he ever saw. Today the same Jesus is moved with compassion for sick people. His heart longs for them to be healed. No one grieves for a dying child more than Jesus. Our world is only just starting to re-discover the healing love of Jesus

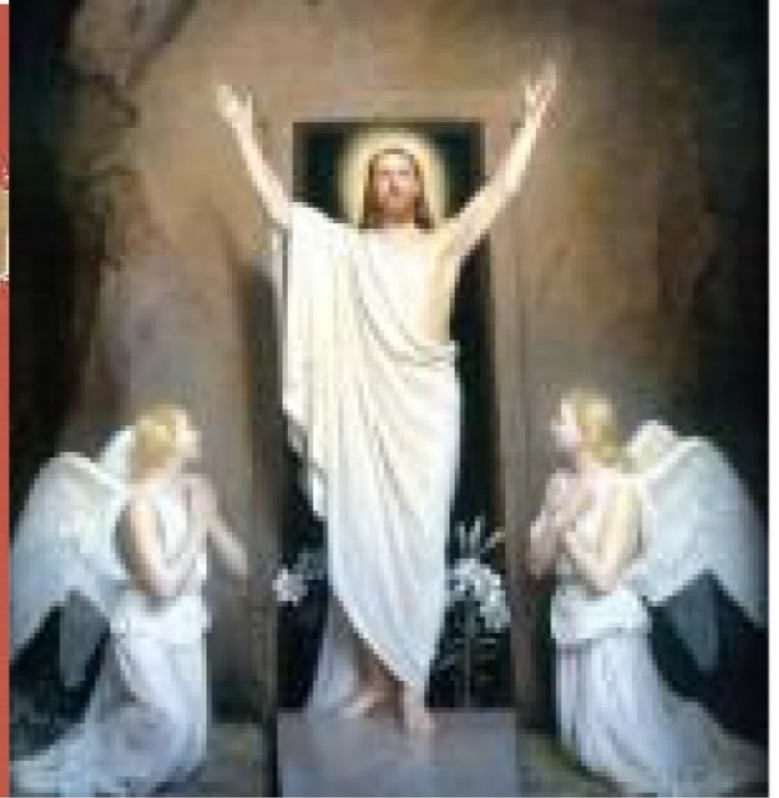

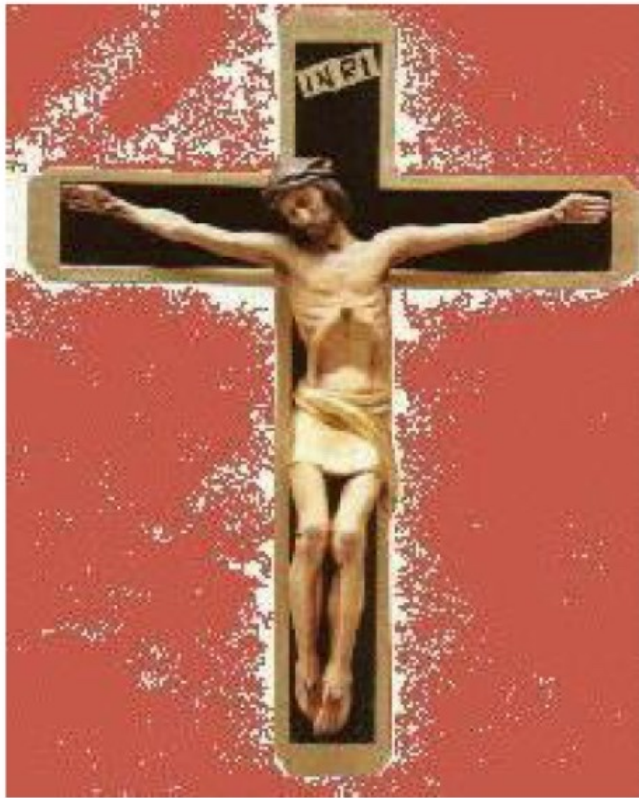

Jesus, please increase my faith in your healing love

Every week in the detention centres, there are stories of prayers being answered – like this one:

March 23, 2012: An inmate asked prayers for his older brother in Africa. Older brother “was at the point of death”. Many inmates prayed for the older brother. About a week later, news was received: “older brother well and ok now”. Inmates gave thanks with the usual special line:
“GOD IS GOOD!”

Jesus who cured people long ago knows the name and illness of every sick person in the world today. Jesus' healing love is available today as it was long ago. Jesus' healing love is like a divine website that anyone can access, from home or hospital or wherever. Accessing this website just needs a simple prayer: **"Jesus, please help me. Jesus, please heal me"**.

I have no legs.

In Heaven you will have two perfect legs

I am blind and deaf.

In Heaven you will see and hear

My whole body is scarred after a fire.

In Heaven your body will be beautiful

I was born with Down's Syndrome.

I have Multiple Sclerosis.

In Heaven you will be completely healthy

On the Cross, Jesus' body was totally scarred.

Three days later, his risen body was so beautiful that his friends at first didn't recognize him

People with severe physical and mental handicaps will be totally beautiful in Heaven - just like Jesus

*Jesus, 2000 years ago, you healed sick people:
the deaf and dumb, the blind, paralytics and lepers.*

*Down through the centuries and in our time,
you have healed the sick when people prayed to you.*

*Jesus, I am sick, please heal me.
Jesus, please heal my sick friends*

For 3 months I had terrible chest pains.

No medicine was of help.

Then one night after I read the book “Doctor Jesus”
I asked Jesus for help.

The next morning, no more pains.
