

Gospel of Matthew 15: 21-28

When Jesus went to the area near Tyre and Sidon, a local Canaanite woman started shouting "Sir, Son of David, take pity on me. My daughter is tormented by a devil." The woman then knelt at Jesus' feet and pleaded "Lord, help me." Jesus said to her "Woman, your faith is very strong. Your wish is granted." And from that moment her daughter was well again.
